Instructions:

1. Fold the larger Sweet Sugarplum card stock in half, and crease with the Bone Folder.
2. Stamp the sentiment on the Sweet Sugarplum cardstock in Staz On ink.
3. Stamp the bunny and eggs in Stazon on the scrap of Whisper White cardstock. Using the framelits, cut out with the Magnetic Pad and the Big Shot.

4. Color in the images using the Smokey Slate, Rich Razzleberry, Daffodil Delight, and Melon Mambo Watercolor Pencils. Use the Blender Pens to blend the colors and remove pencil marks.
5. Cut out two sections of grass using the Big Shot and the Framelits, with the Wild Wasabi Cardstock. Trim off the bottom of the grass.
6. Using Mini Glue Dots, adhere the grass, bunny, and eggs to the bag topper.
