Instructions:

1. Die cut dragonflies from Whisper White front layer (4 x 5-1/4).
2. Stamp greeting on same layer with Smokey Slate ink.
3. Adhere strip of designer series paper to left side.
4. Stamp dotted image in Calypso Coral ink on card front several times so it will show under the die cut dragonfly images.
5. Adhere front layer to card base.

6. Glue die cut dragonflies back into place by placing glue behind the bodies of the dragonflies only - this allows the wings and tails to pop up a little bit.
7. Tie Calypso Coral Thich Baker's Twine around card as shown.
8. Stamp "I know you're sick & tired of being sick & tired..." with Smokey Slate ink on the inside of card.
