- Watercolor Paper – 4 ½ x 3 ¼
- Silver Foil Sheet – scrap
- Calypso Coral - scrap

Instructions:

- On Watercolor Paper, stamp "Happy" from the Happy Celebrations set in VersaMark & emboss using white embossing powder and heat gun.
- Using the long splatter stamp, stamp on and around the embossed "Happy" in Pool Party, Calypso Coral, and Pumpkin Pie.
- Lightly spritz the stamped paper with water using the Stampin' Spritzer. Gently wave the paper to let the colors run slightly. Let air dry or dry with heat tool.
- Once the watercolor paper is dry, use the embossing folder to emboss "Happy" over the white embossed letters.
- In Calypso Coral, stamp "So Very" above the embossed "Happy" and stamp "For You" on a scrap of calypso coral. Trim scrap to banner shape.
- Using multipurpose glue, adhere the watercolor paper to the front of the Vellum, & adhere the DSP behind the vellum, being careful to conceal the glue (I made sure not to go beyond the borders of the watercolor paper on the other side of the Vellum).
- Use dimensionals on the corners and center of the DSP to adhere to the card front. The card front will be layered from bottom to top: Pool Party card base, Foxy DSP, Vellum, stamped Watercolor Paper. Using a Pool Party marker, flick ink splatters where you see blank space.
- Die cut the dragonfly from a Silver Foil scrap & adhere to the card front. Adhere the "For You" Calypso Coral banner to the card front.
